Edge-to-Edge: How to Make the Pop Up Background fit the Full Page Width

Last Modified on 07/01/2026 11:31 am EDT

What you'll learn

- What is Edge-to-Edge
- Edge-to-Edge Best Practices
- Set up Edge-to-Edge feature

The Edge-to-Edge feature allows you to make the campaign background fill the full width of your website. Some customers refer to this as "Full-Bleed". As the background stretches horizontally, the rest of the campaign remains centered.

Customers often use Edge-to-Edge feature for mobile campaign to create banners/sidebars that fill the entire top or bottom portion of the screen.

Edge-to-Edge FAQ

- **How do I preview Edge-to-Edge?** Click "Preview on a Blank Site" under "Save & Preview."
- **Are background images stretched horizontally?** Only If you select "Stretch" in the "Background" section, under "Repeat."
