How do I update my billing information?

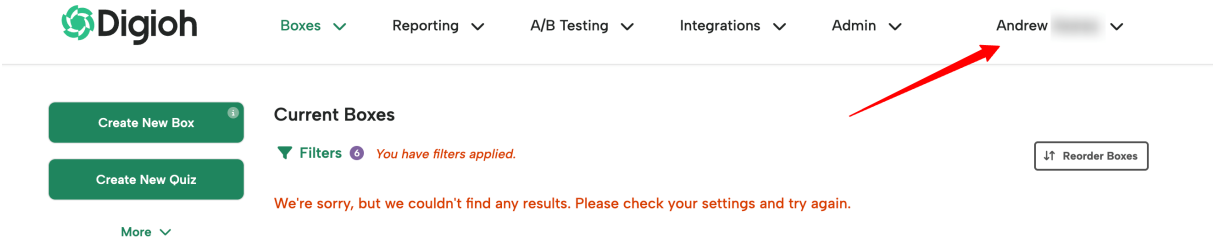

Last Modified on 06/10/2026 11:02 pm EDT

What You'll Learn in This Article

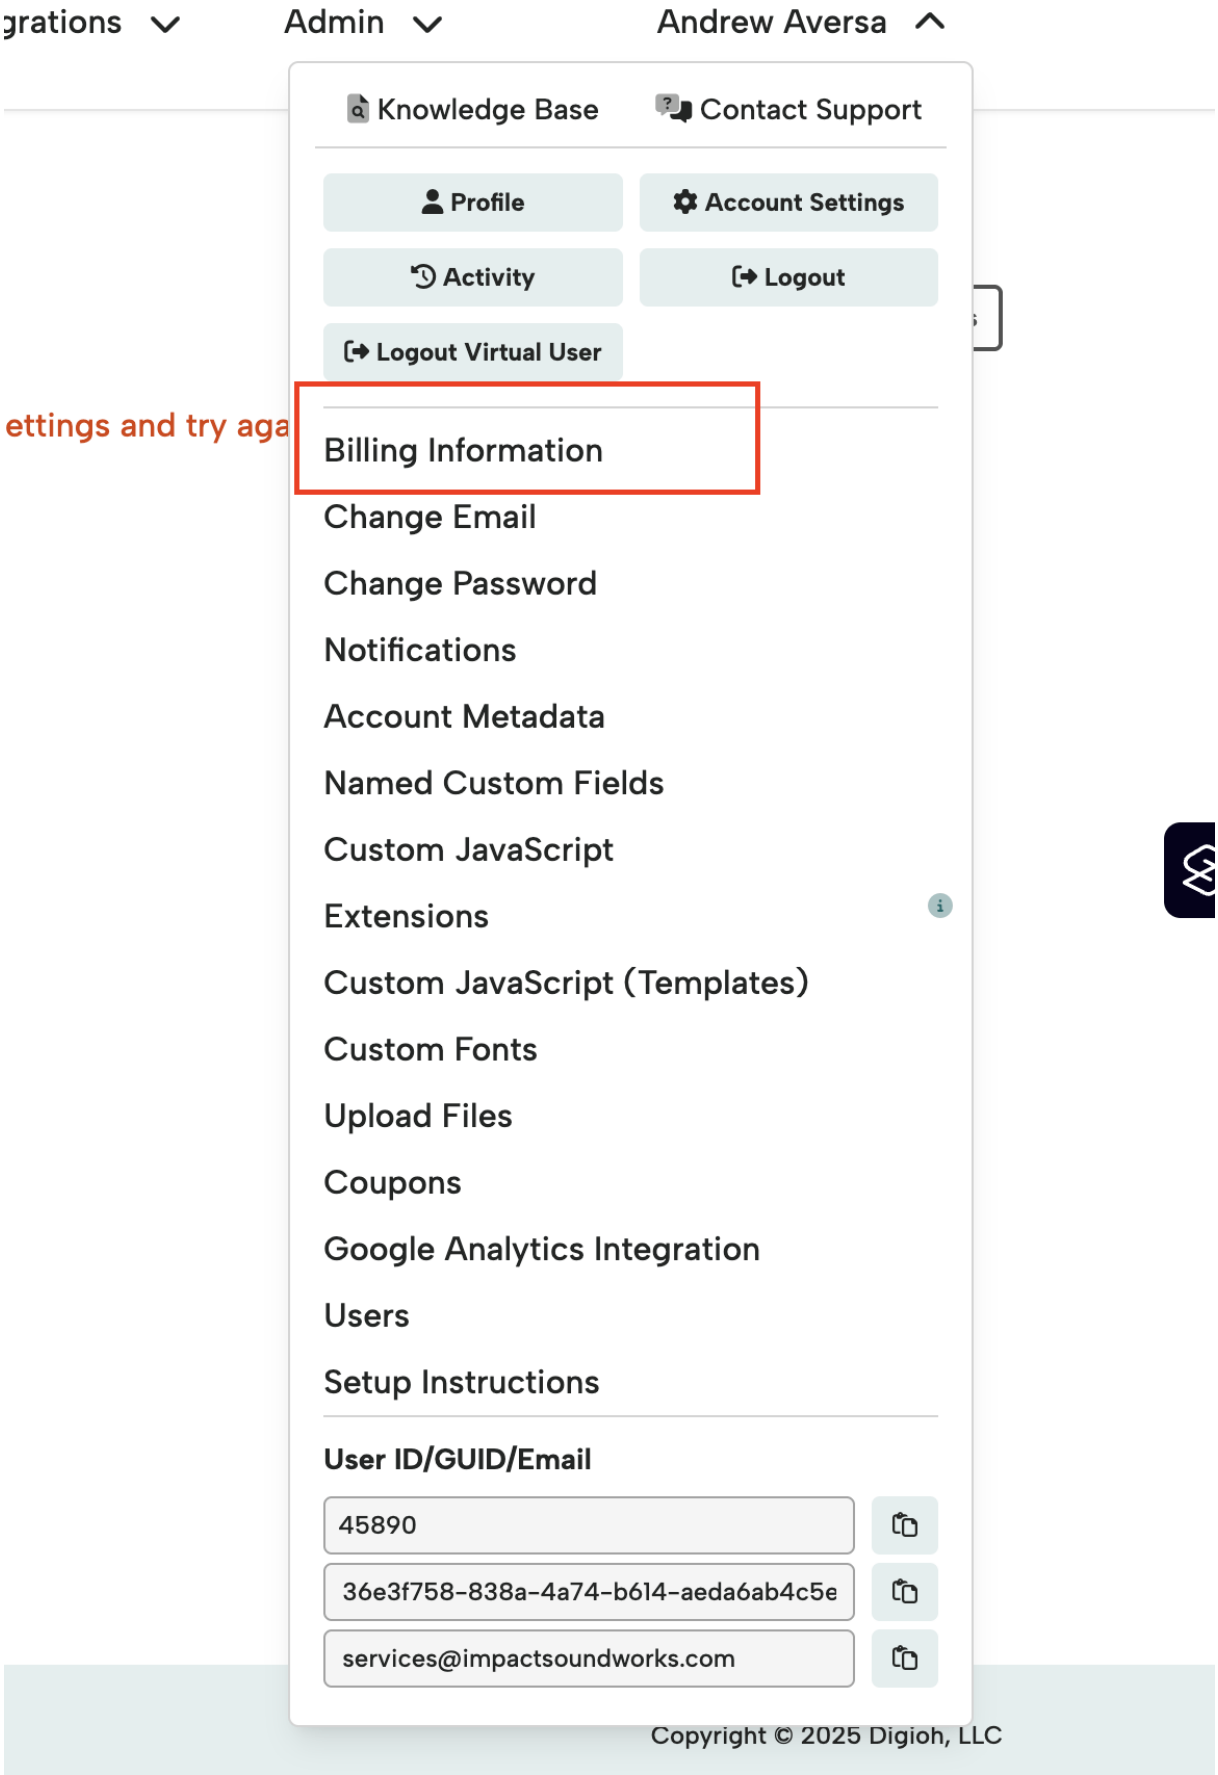

Need to update your billing information on Digioh? No worries—this quick guide walks you through the exact steps in under a minute.

To update your billing information, follow these steps:

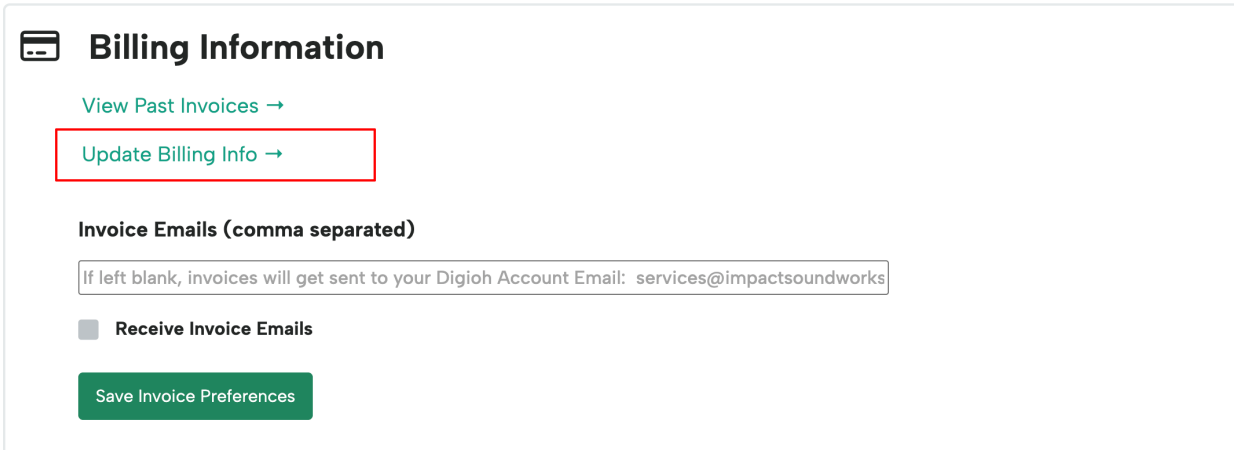

1. Go to the upper-right side of the Digioh dashboard and click the arrow next to your name:

2. Choose "Billing Information" from the dropdown menu:

3. Click on Update Billing Info

That's it! Now you can update your billing information. If you're not seeing this option or have any questions, please reach out to support@digioh.com
