What You'll Learn in This Article

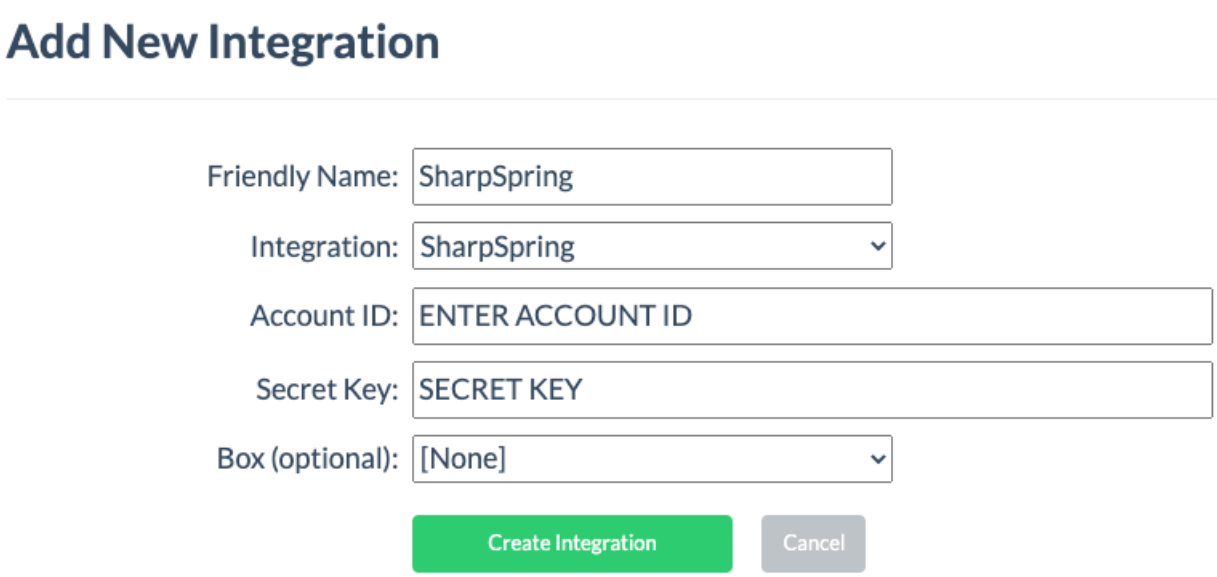

- Locate your SharpSpring Account ID and Secret Key
- Set up and authenticate your SharpSpring integration in Digioh
- Add the integration to web forms, pop-ups, or landing pages
- Set up multiple SharpSpring integrations for different forms if needed

SharpSpring is a robust sales and marketing platform. You can use Digioh to build pop-ups, web forms, and landing pages fully integrated with your SharpSpring account.

If you are setting up a Digioh integration by yourself, we first recommend reading about Digioh Integration Basics.

1. In Digioh, click "Integrations", "New Integration," and select SharpSpring in the drop-down.

2. Enter your Account ID and Secret Key.

3. Add this integration to any web form in your Digioh account. You can have multiple SharpSpring integrations.
