

How to Integrate With MailerLite

Last Modified on 06/24/2026 11:46 am EDT

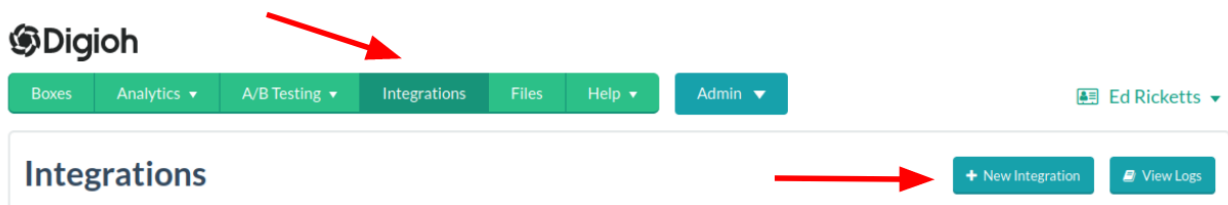

MailerLite is a powerful and flexible email marketing platform. With [Digioh](#), you can capture new leads and send them to MailerLite in real-time. Follow these instructions to set up the integration.

If you are setting up a Digioh integration by yourself, we first recommend reading about [Digioh Integration Basics](#).

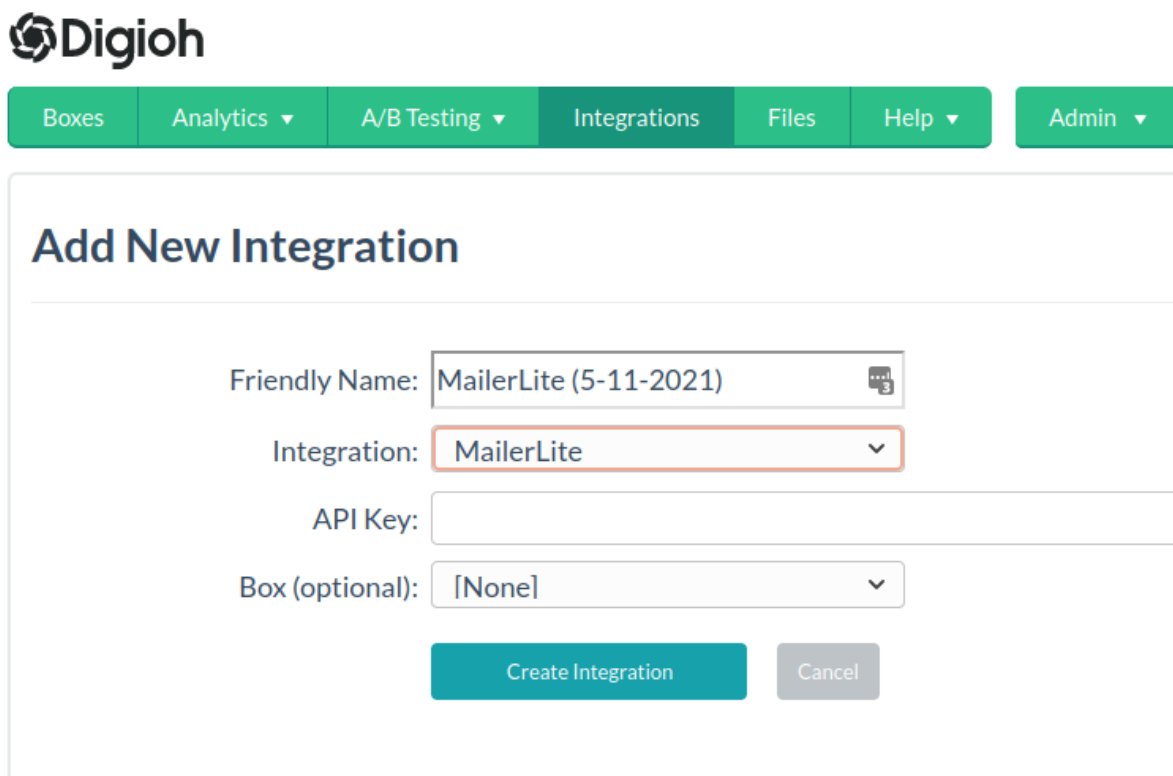

Integrating Digioh with MailerLite

First, you will need to get your API Key from MailerLite by [clicking this link](#).

Next, click the **Integrations** tab in Digioh, and create a **New Integration**.

Select **MailerLite** from the Integration dropdown and name the integration. Enter your **API key** for your MailerLite account

Add New Integration

Friendly Name: MailerLite (5-11-2021) 

Integration: MailerLite ▾

API Key:

Box (optional): [None] ▾

Click **Create Integration**. On the Integrations page, use the **Map Fields** link to map additional fields

beyond email and name.

To apply the integration to a campaign, use the **Add** or Edit link in the **Integrations** column on the **Boxes** page.

The screenshot shows the Digioh dashboard with a navigation bar (Boxes, Analytics, A/B Testing, Integrations, Files, Help, Admin) and a user profile (Ed Ricketts). Below the navigation is a toolbar with device filters (All, Phone, Tablet, Desktop) and layout options (All, Lightbox, Sidebar, Inline, Banner). A notification banner indicates changes detected since the last publish. The main content is a table with columns: ID, Name, Conditions, Integrations, Variations, Actions, Eligible, and Live. The 'Integrations' column is highlighted with a red box. The table contains three rows of campaign data.

ID	Name	Conditions	Integrations	Variations	Actions	Eligible	Live

214587	Email Subscription Preferences	+ Add	+ Add	+ Add	✎ 👁 🗑️ 🔄 📄 📧 📧 📧 📧 📧 📧	ON	

You can also add it from the **Integration** section of the editor.

The screenshot shows the Digioh editor interface with a navigation bar (Boxes, Analytics, A/B Testing, Integrations). Below the navigation are buttons for 'Save', 'Save & Publish', and 'Save & Preview'. A vertical list of sections is shown: Main Page, Thank You Page, Widget, Teaser, Conditions, Integrations, and Testing. The 'Integrations' section is highlighted with a red box and contains two buttons: 'Choose Integrations' and 'Add Integration'.

That's all there is to it! Digioh will now pass your captured leads to MailerLite in real-time.
