What to do if you don't see all of your campaigns

Last Modified on 06/24/2026 3:23 pm EDT

Where are my pop-ups?

Pop-ups can be filtered by lightbox targeting and type.

You will not see a complete list of your pop-ups unless you select "All."

In the lightbox list, click on the Filter and click on "All" to display all your campaigns.
