Adding background images is a great way to make your campaigns more eye catching! You can follow the below steps to add a background image to a page in a campaign.

1. Open the Campaign Editor
Go to your Digioh account and open the campaign where you want to change the background.

2. Select the Page
Click the page (e.g., Main, ep1, Thank You) where you want the background image changed.

3. Set the Campaign Background Settings
In the layout settings, locate the "Page Background" settings. To use an image for the background, toggle Use Image on and select the image to use:

If you haven't already, you can also use the Add Image button to upload your image without leaving the editor!

If you're ever looking to have the background image change dynamically, you can always check out our Page Background Image Dynamic Replacement extension .
