

How to Add Custom Fonts

Last Modified on 06/10/2026 11:06 pm EDT

What You'll Learn in This Article

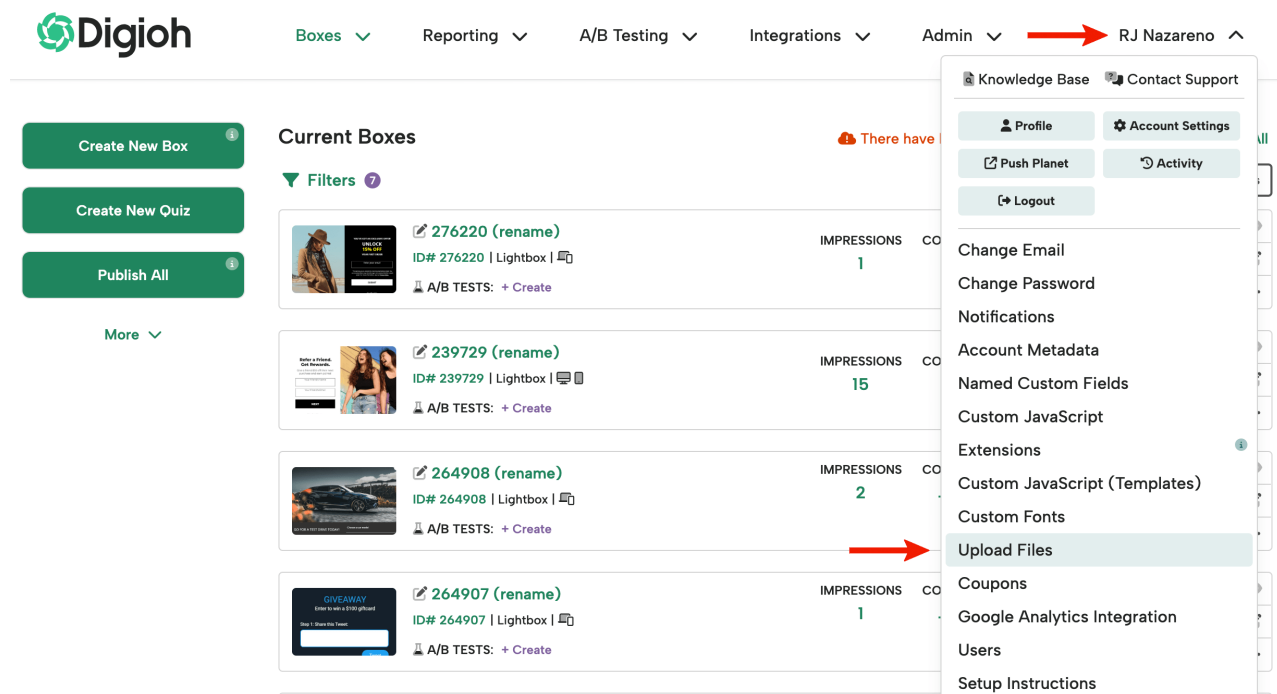

This guide will walk you through the process of adding custom fonts in your account.

- Navigate to the Files page in Digioh to upload your font files.
- Apply the Font in the Editor

Digioh's form editor allows you to upload custom fonts for use in your campaigns, ensuring your forms and pop-ups stay on-brand.

To add your custom fonts to the Design Editor, follow these steps:

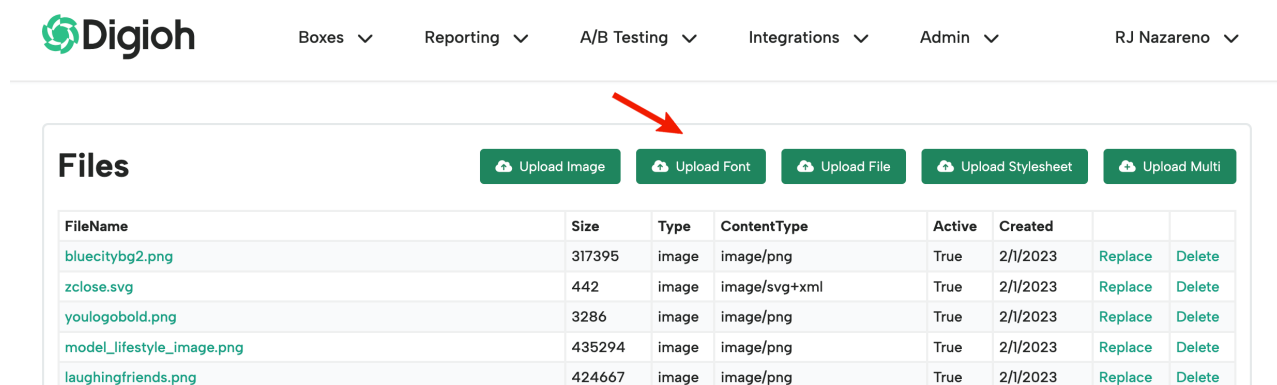

1. Click your account name in the upper-right corner, then select Upload Files

The screenshot shows the Digioh user interface. At the top, the user's account name 'RJ Nazareno' is highlighted with a red arrow. A dropdown menu is open, showing various account settings. The 'Upload Files' option is highlighted with a red arrow.

Boxes	Reporting	A/B Testing	Integrations	Admin	RJ Nazareno
276220 (rename) ID# 276220 Lightbox	IMPRESSIONS 1	CO			
239729 (rename) ID# 239729 Lightbox	IMPRESSIONS 15	CO			
264908 (rename) ID# 264908 Lightbox	IMPRESSIONS 2	CO			
264907 (rename) ID# 264907 Lightbox	IMPRESSIONS 1	CO			

2. Click "Upload Font."

The screenshot shows the Digioh 'Files' page. The 'Upload Font' button is highlighted with a red arrow. Below the buttons is a table listing uploaded files.

FileName	Size	Type	ContentType	Active	Created		
bluecitybg2.png	317395	image	image/png	True	2/1/2023	Replace	Delete
zclose.svg	442	image	image/svg+xml	True	2/1/2023	Replace	Delete
youlogobold.png	3286	image	image/png	True	2/1/2023	Replace	Delete
model_lifestyle_image.png	435294	image	image/png	True	2/1/2023	Replace	Delete
laughingfriends.png	424667	image	image/png	True	2/1/2023	Replace	Delete

Upload

Select a File From Your Computer:

Upload File

Note: The file size limit is **4MB**. For faster loading, we recommend keeping images **under 1MB**.

Digioh accepts the following image file types: JPG, PNG, SVG, GIF, and WEBP. [Learn more about images...](#)

3. Click on your account name and select "Custom Font."

The screenshot shows the Digioh dashboard interface. At the top, the navigation bar includes the Digioh logo, several dropdown menus (Boxes, Reporting, A/B Testing, Integrations, Admin), and the user's name 'RJ Nazareno' with a dropdown arrow. A red arrow points to this arrow. Below the navigation bar, the main content area is divided into a left sidebar and a main panel. The sidebar contains buttons for 'Create New Box', 'Create New Quiz', and 'Publish All', along with a 'More' dropdown. The main panel is titled 'Current Boxes' and displays a table of active boxes. The table has columns for a box image, its name and ID, its status, and its performance metrics (Impressions and Conversions). Four boxes are listed: '276220 (rename)', '239729 (rename)', '264908 (rename)', and '264907 (rename)'. A red arrow points to the '264908 (rename)' row. To the right of the 'Current Boxes' section, a dropdown menu is open, showing various account settings and management options. The 'Custom Fonts' option is highlighted with a red arrow.

Box Image	Box Name & ID	Status	Impressions	Conversions
	276220 (rename) ID# 276220 Lightbox		1	0
	239729 (rename) ID# 239729 Lightbox		15	0
	264908 (rename) ID# 264908 Lightbox		2	0
	264907 (rename) ID# 264907 Lightbox		1	0
