To delete a specific email address from Digioh, follow these steps.

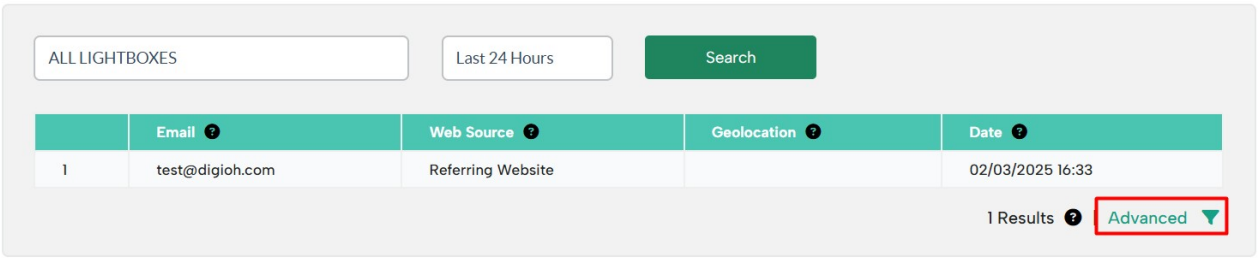

Go to **Reporting** on the top navigation bar when you are logged in to Digioh

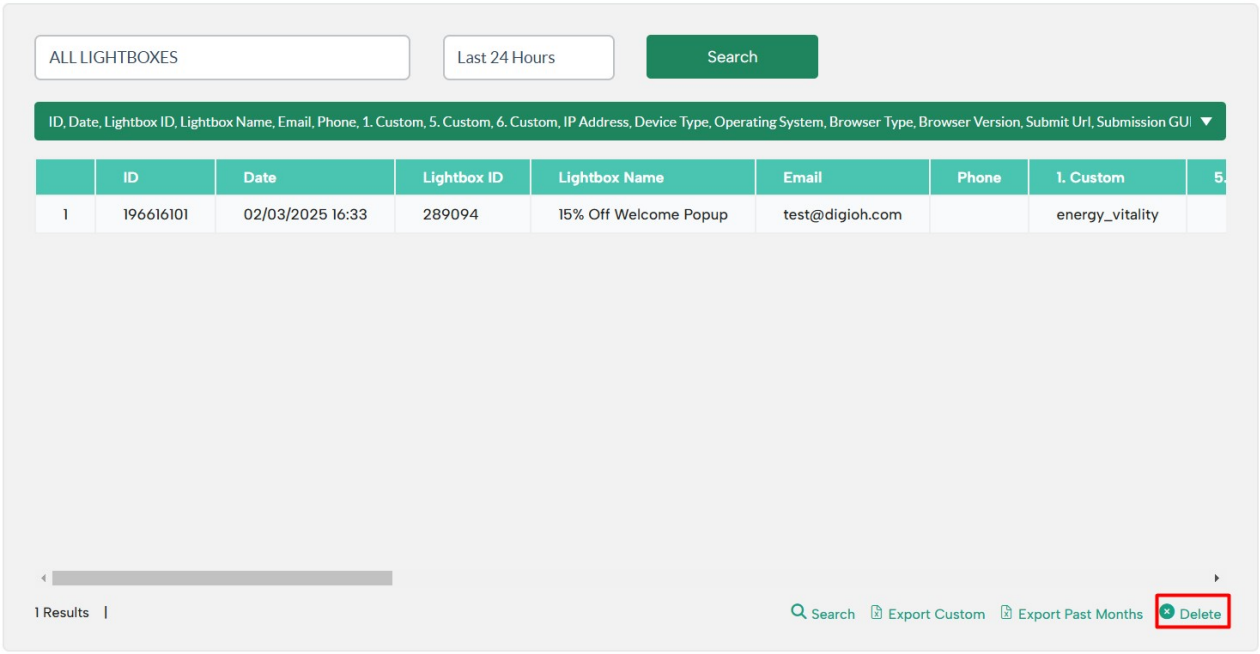

Once you are on the Reporting Dashboard click **Subscriber Data**

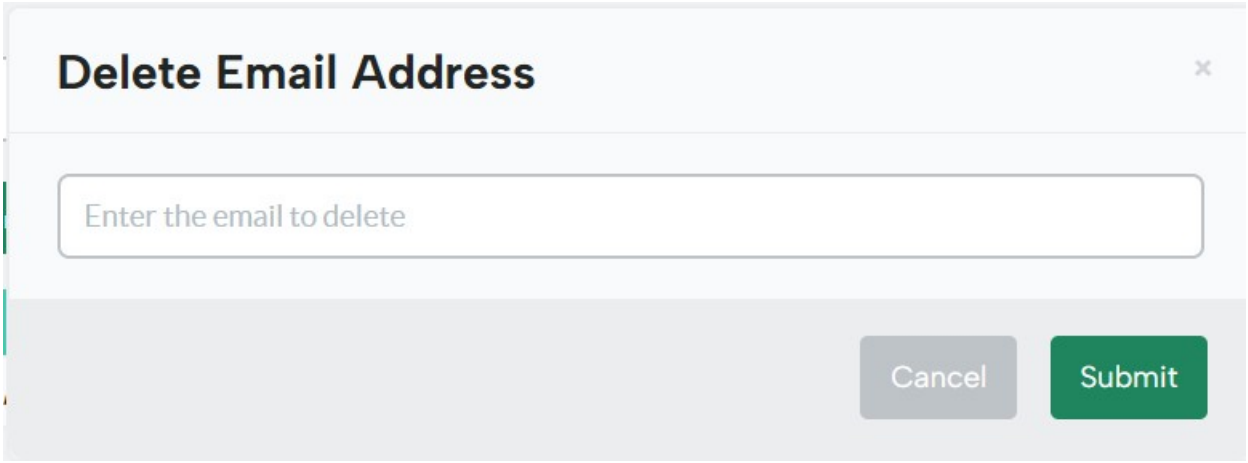

Click "**Advanced**" on the bottom-right of the Submissions page.

Click the "**Delete**" button. Then, enter the email address you want to delete:

This will delete any submissions with that email address from your account.
